SUMMARY:
A hard-working young college lad with strong interest and experience in programming, computers, technology, and business.

EDUCATION:
Mounds View High School,Anoka-Ramsey Community College (PSEO), University of Minnesota Twin Cities (PSEO)
Graduation from Lighthouse Secondary: 2019-06-06, GPA: 3.786
University of Minnesota Twin Cities: 2019-Present, College GPA: 3.723

COMMUNITY INVOLVEMENT:
CodeDay Minneapolis:
I am the RM (organizer and day-of lead) of CodeDay Minneapolis, a hackathon aimed at programming exposure and education.
ACM UMN:
I am a current officer for the UMN chapter of the Association for Computing Machinery (ACM). This includes helping to run MinneHack, the biggest hack-athon in the Twin Cities.

WORK EXPERIENCE:
MN State Fair Corn Roast 2015-08 - 2015-09.
SmashBurger (St. Anthony) 2018-04 - 2018-07:
Title: Trainer
I did any/all tasks in the store (including customer service, cashier, cooking, prep, dishes, and training) except managerial tasks.
Online Art Store Partnership 2017-07 - Present:
I manage an artist's online store, including creating listings, shipping orders, customer communications, and financial management. I also do any digital design work necessary to prepare a piece of art for print or other merch.

We just reached 220+ orders, and are currently working on screen-printing our own t-shirts!

SKILLS:
Intermediate: HTML, CSS, Javascript (Browser/Node), JQuery, Bootstrap, Socket.io, Python, C, C++, Spreadsheets, xnix, Photoshop.
Basics: Express, Jekyl, PixiJS, Apache, Nginx, Illustrator, Cordova/ Phonegap, LaTeX, InDesign.
Interests: Docker, React, Meteor, Electron, Material Design.

Soft Skills: Organization, Quick Learning, Memory, Observation, Concision.
